The Articles for This Month

Swap Meet

The big event in September was the swap meet, held September 23. Here one sees our president Pat Chambers, W6VJT, selling some of the club's surplus gear.

Here is a table top which illustrates one of the best reasons for the club to sponsor a swap meet. On this table are many of the objects given to the club over the past years. This activity is an excellent way to get many hams to view these objects and to buy them at a good price.

The swap meet was a success. It opened at 7 AM with many cars parked on the street outside our parking lot, which was quite full. People came from other parts of New Mexico. Some people from El Paso brought cars loaded with equipment. There were quite a few hams from Mexico.

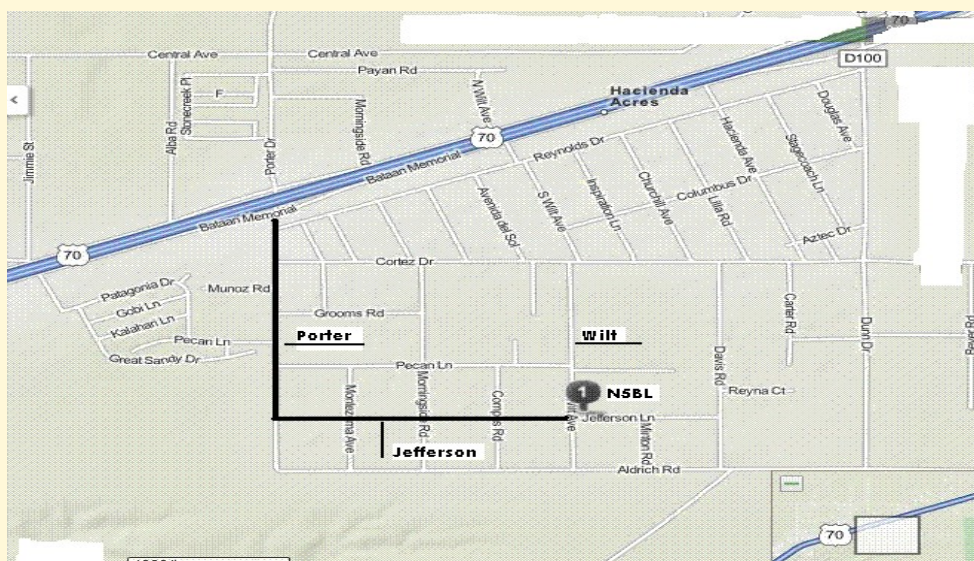

By 10 am, most of the trading and selling was finished but quite a bit of money had changed hands,

Then people continued chatting and some tests were given.

CLUB INFORMATION

The MVRC Clubhouse is located at the intersection of Wilt and Jefferson. To find the clubhouse, set your destination on your GPS receiver as 32 degrees 22.961 minutes and -106 degrees 41.44 minutes. If you don't own a GPS, take the Porter exit near the firehouse on US 70. It is about 5 miles east from the I 25 interchange. Go south on Porter until you come to Jefferson. There turn left toward the mountains and go to Wilt. You will see the beam on the corner. The treasurer would be delighted to receive your contribution for landscaping and furnishing.
